

HAPPY KITTY, SLEEPY KITTY, PUR PUR PUR

A 3D architectural rendering of a modern building's interior. The scene features a long, brightly lit corridor with a polished floor that reflects the overhead lights. On the left, there are white walls and a series of white stairs leading up. On the right, there are glass partitions and a white wall. A large, stylized yellow sign with a red outline and a drop shadow, reading 'Drinks', is positioned in the center of the corridor. The sign is three-dimensional and appears to be floating or attached to the wall. The overall atmosphere is clean, modern, and professional.
